She packed my bags last night pre-flight
Zero hour, nine a.m.
                Bb quick Eb
And I'm gonna be high as a kite by then
I miss the earth so much, I miss my wife
It's so lonely out in space
Eb Bb quick Eb F
On such a timeless flight
Chorus: [x2]
And I think it's gonna be a long, long time
'Till touch down brings me round again to find
I'm not the man they think I am at home
           Bb
Oh no, no, no, I'm a rocket man
Rocket man, burning out his fuse up here alone
                                     (+Eb between choruses)
Mars ain't the kind of place to raise your kids
In fact it's cold as hell
                  Bb quick Eb
And there's no one there to raise them, if you did
And all this science I don't understand
It's just my job, five days a week
Eb Bb quick Eb F
A rocket man, a rocket man
Chorus [x2 again]
And I think it's gonna be a long, long time [x4 sounds pretty good, end
w/ Eb]
