

Still Crazy After All These Years - Paul Simon

[G] I met my old [G7] lover on the [C] street last night [Cm]
she [G] seemed so glad to [F#°7] see me I just [Em] smiled [Em/D#m/Dm]
[G] and we talked about some [G7] old times and we [C] drank ourselves
some [C#°7] beers
Still [G] crazy after [D7] all these [Em] years [C#°7] oh
Still [G] crazy after [D7] all these [Cm] years [D] [G]

[G] I'm not the kind of [G7] man who tends [C] to socialize [Cm]
I [G] seem to lean on [F#°7] old familiar ways [Em]
and I [G] ain't no fool for [G7] love songs that [C] whisper in my [Cm] ears
Still [G] crazy after [D7] all these [Em] years [C#°7] oh
Still [G] crazy after [D7] all these [Cm] years [D] [G]

[Amaj7] 4 in the morning [E] crapped out
[Emaj7] yawning [Abm7] longing my [Dbsus4/Db] life a [F#maj7] way
[Em7] I'll never [B/C] worry [B/C] why should [G] I [G7] [C] it's all [B]
gonna [AM7] fade [D] [G]

[G] Now I [G7] sit by my window and I [C] watch the
cars [F7]
I [G] fear I'll do [F#°7] some damage one fine [Bsus4] day [E]
[A] but I would not be [A7] convicted by a [D] jury of my [D#°7] peers
Still [A] crazy after [E] all these [F#m] years [D#°7] oh still [A] crazy still
[D] crazy still [A] crazy after [E] all these years [F7] [A]
